

**This is a questionnaire to find out what single parents need in everyday life.**

Dear single parents.

The district Neukölln seeks to support single parents. To find out what their specific needs are, we need data that focuses on their everyday lives needs. We would like you to help us by answering the questionnaire below. Please share your personal perspective and insight. The questionnaire is anonymous and your data will not be shared. You are free to participate. If you would like to leave a specific question unanswered, feel free to do so.

After evaluation the findings will be published on the website [www.alleinerziehend-neukoelln.net](http://www.alleinerziehend-neukoelln.net)

To hand in the questionnaire you can do one of the following:

- bring it to Briesestrasse 15, 12053 Berlin
  - Send it by mail to the same address
- Or
- Send it by email to [mueller.M@skf-berlin.de](mailto:mueller.M@skf-berlin.de)

[Thank you very much for your help!!](#)

Status

I've been living in Neukölln for \_\_\_\_\_ months / years (circle around months or years)

I live in the following region

- |  |                                      |                                     |
